REPORT OF BUILDING INSPECTOR

As we complete our third year of zoning in Chesterfield it is my pleasure to again submit a report as your building inspector.

At our annual meeting in 1958 we voted that all roads in Chesterfield with a hardtop surface be included in zoning. As a results, fifty-nine permits were issued against twenty-eight in 1957. Of these, forty were completed.

There are a few who do not realize that a permit is necessary, and some to whom I have apparently not made the fact clear that upon completion of a project the inspector should be notified. This would help considerably in checking to find when a project has been finished so the permit could be approved. I am sure that by taking the liberty to insert this paragraph many more will comply with our rules as adopted. The majority asking for permits state they are very happy to have the existing conditions for the great protection that it affords them.

The past year many of our summer residents on Spofford Lake expressed their gratitude to the town for the action taken at our last meeting to keep the Lake residential. They have asked me to pass on to the town their views, which I am doing through this report.

Respectfully submitted,

GEORGE E. JOSLIN.

REPORT OF CHESTERFIELD LIBRARY

January 1, 1959

To the Trustees of the Chesterfield Library:

During 1958 the library had about 80 adult persons and 50 junior and juvenile patrons.

Books purchased during the year include—

Adult	86
Junior and Juvenile	28
Total	114

The circulation of books during the year was—

Adult Fiction	1,798
Adult Non-Fiction	315
Junior and Juvenile	1,078
Total	3,191

Exchanges of books were made in the Spofford Branch Library in March and August; and with the West Chesterfield Branch Library in July.

The State Bookmobile came during February, May, July, and October and an average of around 125 books were selected each time. This has provided some excellent reading for our patrons especially of non-fiction material.

Books were loaned the Chesterfield School to supplement those loaned to them by the State Bookmobile. Also, during National Book Week there was a display of our children's books at the school.

Gifts presented during the year were as follows:—

14 books—Miss Marion Mitchener

Original manuscript "Our Summer Life at Chesterfield," written by Edwin D. Meade—presented by Mr. Hulme

A large gift (about 65) of books from Mrs. Roger C. Spaulding

4 books—Miss Edwarda Crandall

Book—Polly Coleman

Book—Avis Gauthier

Map of Spofford Lake (1898)—James O'Neil

Large painting of Lincoln—Mrs. Helen K. Robinson

Many requests have been filled for books through the State Library during the year. In this way, we can offer material on any subject. This has been particularly helpful for high school students and other home studies.

The library is open on Saturdays from 2-5 and 7-9 p. m. for all residents of the town and their guests. Our large number of patrons shows that many still take time from television for reading a good book.

Petty cash report—

On hand Jan. 1, 1958	$17 81
Collected fines	2 15
	$19 96
Expenses	9 06
Balance	$10 90

Respectfully submitted,

AUDREY C. ERICSON,

Librarian.

The Spofford Branch of the Chesterfield Library continues to accommodate local residents and summer guests, at hours elastic enough to allow those who wish to browse or withdraw books, to suit their needs.

Many summer people, seeing the sign come in to browse. They invariably comment upon the well-rounded selection of books available, mentioning particularly the recent books on the shelves.

A total of approximately ninety books are included for choice at the Spofford Branch. These books are exchanged in Chesterfield, by Mr. Tuttle, trustee, or by the State Bookmobile about every two months. Requests for any special books will be obtained if possible, from the state library upon notifying the Spofford librarian.

An average of 30 books are in circulation throughout the year. Because of several instances of un-returned books, a deposit (returnable) is required of non-residents. They accept this arrangement which was approved by our trustee.

It is indeed a pleasure to serve the village of Spofford in the capacity of librarian. The ready cooperation of Mrs. Harry Ericson, Chesterfield librarian, and the library trustees is appreciated.

Signed,
MRS. MARJORIE A. MORSE,
Librarian, Spofford Branch, Chesterfield Library.

SUPERINTENDENT'S REPORT
TO CHESTERFIELD DISTRICT

My report of last year seems just as appropriate for this year as it was for last since the same problems still exist. Our high school and elementary school enrollments reached an all-time high this September with 222 pupils enrolled in the Central School and 75 pupils in high school. The grade one September enrollment was 39 pupils and Mrs. Audrey Ericson was employed as part-time assistant to Mrs. Emery in this grade.

Brattleboro tuition now runs over $7,000 a year more than Keene High School for the same number of pupils.

Internally, the school is operating smoothly under Mr. William Carey as principal and a capable staff of teachers. Mr. Cutler keeps the school in excellent condition and Mrs. Lew is operating the lunchroom very successfully during Mrs. Marion Nurse's illness.

DR. CHARLES L. BOWLBY,
Superintendent of Schools.

Mrs. Fay Gemmell, Mrs. Forrest Hall, Mr. Russell Allen, and Mr. William Carey are new members to the teaching staff for this school year. Mrs. Harry Ericson has been hired to assist in grade 1 due to the increased enrollment in that grade.

The teaching staff of the Chesterfield School is in my opinion a staff that is worthy of a great deal of praise. Each teacher has proven that he or she is willing to spend countless time providing your children with an excellent education.

The problem of finding new teachers continues to be a very difficult one. The community has a teaching staff of whch it can be very proud. In maintaining this staff it would seem advisable for the school and community to maintain a good sound salary policy. The biggest hope that we can have for the future is a sound investment in education.

Mrs. Marion Warner continues to do a fine job caring for the health of your children. Countless hours have been spent by Mrs. Warner checking the eyes, hearing and general physical condition of each child.

Our lunch program is temporarily under the capable direction of Mrs. Louise Leu and she is assisted by Mrs. Inez Houghton. We at the school are very appreciative of the fine job the lunchroom staff is doing. Due to illness, we have been without the services of Mrs. Marion Nurse. On behalf of the staff, the children and myself, I would like to extend to Mrs. Nurse the hope of a speedy recovery and hope that she will be back with us soon.

The close association of school and community is very vital. This vital need can be partially met by an active Parent Teachers Association. We at the school are very pleased that we have an active P. T. A. The installation of closet doors is the project which the P. T. A. is carrying out this year. This project is going to prove to be of a great deal of value to our school. We can all give needed support to our school by becoming actvie members of the P. T. A.

For the first time, the school has had the services of a Helping Teacher. This type of service proves to be very beneficial in many ways.

Across the nation we are observing deep public interest in the physical fitness of children and youth. We at the school are trying to meet this interest in as many ways as possible. We now have organized physical education classes for grades 7 and 8. We are extending our athletic teams and now have an organized basketball team. Our football team tied for the league championship and lost in the playoff game by a very close score.

On behalf of the entire staff and myself, I would like to publicly thank the Superintendent and School Board Members of Chesterfield. They are certainly deserving of a great deal of credit for a job well done.

In conclusion, I would like to thank the community for the excellent cooperation that has been given. A continuing of this cooperation will mean continued success in our school's program.

WILLIAM F. CAREY,
Principal.

YOU CAN HELP PREVENT FOREST FIRES

Twenty-five percent of all forest fires in New Hampshire are caused from careless debris burning—brush, paper, leaves, grass, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as ($200) two-hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc. cut on your property. Eliminate the hazard of burning yourself. It will be easier for you—personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden—the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty ***Use your town dump***
